

# COIN ROLL VALUE CALCULATOR

**Directions:** Write down the number of rolls you have for each type of coin. Multiply the Quantity and Value columns together to calculate the subtotal. Add up the subtotals from each row to calculate the total deposit amount.

	Quantity	Value	Subtotal
<b>QUARTERS</b>		\$10.00	
<b>DIMES</b>		\$5.00	
<b>NICKELS</b>		\$2.00	
<b>PENNIES</b>		\$0.50	
		<b>TOTAL AMOUNT:</b>
